**60**  
FREE SEMINARS!

## Your **FREE INVITATION** to Futurebuild

- The UK's biggest annual event for offsite construction
- Largest information programme ever
- The most comprehensive showcase of suppliers of offsite products, components and technologies in the UK

27 February - 1 March 2007 | Earls Court 2 | London

INNOVATIONS IN CONSTRUCTION

INNOVATIONS **BUILT**  
FOR THE ENVIRONMENT

REGISTER FOR YOUR FREE ENTRY AT:  
**[www.futurebuild.co.uk](http://www.futurebuild.co.uk)**

The demands facing the construction industry are considerable: capacity, skills shortages, new regulations, environmental performance standards, major investment programmes in the health and education sectors, a government-led drive to build more homes, and more affordable homes.

Many of the industry's challenges are predicted to be addressed by the adoption of offsite methodologies, and there is no more important gathering of the key players in the offsite sector than at Futurebuild.

## UNMISSABLE FUTUREBUILD - NOW EXTENDED TO 3 DAYS

Put the date in your diary for Futurebuild, the UK's definitive event for offsite construction, and see for yourself the very latest and most innovative products and methodologies available.

Winner: Best new event

**REGISTER FOR YOUR  
FREE ENTRY AT:  
[www.futurebuild.co.uk](http://www.futurebuild.co.uk)**

## FUTUREBUILD CONFERENCE

The highly-acclaimed Futurebuild conference, *Creating the Capacity and the Capability to Deliver* considers whether the offsite sector is ready to respond to the opportunities afforded by the huge demand for social housing, schools, healthcare, retail and commercial construction and identifies the obstacles in the way of creating a step-change in UK construction.

Key conference themes include:

- Drivers for the take-up of offsite construction
- Access to Market
- Supply Chain Management – Efficient Processes for Offsite Construction
- Spotlight on Healthcare, Education and Retail – Benchmark Projects
- Comparing Technologies and Applications
- Sustainable Offsite Construction

See the full programme and speakers at:  
[www.futurebuild.co.uk/conference](http://www.futurebuild.co.uk/conference)

The conference comprises six half-day modules, all of which can be booked individually to create your own agenda and coordinate with your selection of free seminars.

## Futurebuild **FREE** seminar programme

The hottest topics and the latest thinking on the toughest challenges are taken up in the Futurebuild seminar programme – **all FREE to attend when you register for Futurebuild.**

### Tuesday 27 February 2007

Morning seminars start 09.30

Afternoon seminars start 14.00

- Healthy Houses: Design, Building and Technology to Reduce Respiratory Ailments and Improve Health, part 1  
(NB this session will start at 9.00am)
  - Innovations in Façade Design and Engineering
  - Designing for Offsite
- buildoffsite**
- Healthy Houses: Design, Building and Technology to Reduce Respiratory Ailments and Improve Health, part 2
  - Discovering Offsite for the Health Sector
  - Evaluating Modern Methods and Materials and Assessing Building Performance

### Wednesday 28 February 2007

Morning seminars start 09.30

Afternoon seminars start 14.00

-  • Concrete: Celebrating Design for a Sustainable Future
-  • Timber Technology and Offsite Construction, part 1
-  • Liquid Stone: New Architecture in Precast Concrete
-  • Timber Technology and Offsite Construction, part 2

**Don't forget** to join us for the **Futurebuild cocktail party**, starting 18.00 – **FREE** when you register at [www.futurebuild.co.uk](http://www.futurebuild.co.uk)

Sponsored by:  
**WOODHOUSEPROJECTS**

### Thursday 1 March 2007

Morning seminars start 09.30

Afternoon seminars start 14.00

-  • Discovering Offsite for Schools and Education
-  • Post Modern Methods of Construction – Reinventing Masonry
-  • Innovation in Healthcare Construction: Utilising IT and Designing-In Intelligence
-  • Steel Technology and Offsite Construction, part 1
-  • Small is Beautiful: A Look at Micro Design and its Application in Contemporary Living
- MMC for Affordable and Social Housing
- Perfect Pods for the MyPOD Generation
-  • Steel Technology and Offsite Construction, part 2

For more detailed information on all these seminars and more visit:  
[www.futurebuild.co.uk/seminars](http://www.futurebuild.co.uk/seminars)

Evaluate products in action in realistic conditions and get advice from experts at Futurebuild's attractions and special events, including:

- **DEMO ZONE** – see products in action at the British Precast Demo Zone at Futurebuild, including demonstrations and presentations from:

Presentations daily from 10.00. In association with  and supported by 

- **OFFSITE BENCHMARKING** – daily presentations on the new pilot registration scheme for the offsite sector given by Lloyds Register in association with Buildoffsite.

Presentations daily from 11.00. In association with 

- **HEMSEC THEATRE** – the Futurebuild theatre, hosting 3 days of seminars, will be built by Hemsec using their acclaimed Structural Insulated Panel System.

You'll find plenty of opportunities to make new contacts and renew old acquaintances at Futurebuild. Your invitation to attend the **FUTUREBUILD COCKTAIL PARTY** on 28 February is included when you register at [www.futurebuild.co.uk](http://www.futurebuild.co.uk).

**Futurebuild takes place at the same time as four other events:**

-  **Designing and Building a Sustainable Future**
-  **Creating Quality Spaces & Revitalising the Public Realm**
-  **Improving the Built Environment, Creating Places that Work**
-  **Sustainable Healthcare Through the Built Environment**

Known collectively as Innovations for the Built Environment, these five events represent the most important themes affecting the built environment today, making the critical connections between them. No other event brings together professionals from all aspects of the built environment, from both public and private sectors, providing a unique opportunity for learning and for making new contacts.

**INNOVATIONS BUILT FOR THE ENVIRONMENT**

[www.innovationsforthebuiltenvironment.co.uk](http://www.innovationsforthebuiltenvironment.co.uk)

Futurebuild is supported by all the major professional bodies and associations and is a founder member of the UK Green Building Council.
